### **Auto vs Pedestrian Traffic Collision**

At approximately 8:37 P.M. a driver traveling Northbound on Santa Rita Rd struck two pedestrians (a husband and wife) who were walking Eastbound in the marked crosswalk at the intersection with Francisco St. Both pedestrians were transported to Eden Hospital with severe injuries. The driver of the vehicle, a 29 year-old Danville resident, stopped at the scene and is cooperating with police. The collision resulted in the closure of this section of Santa Rita Rd to be closed for several hours. Due to the nature of this collision, members of the Pleasanton Police Department's Special Operations Unit were called out and will be handling the investigation.

The identities of the pedestrians and the driver of the vehicle are not being released at this time. A supplemental press release with additional information will be completed as deemed appropriate.

Anybody who may have information related to the investigation is asked to call the Pleasanton Police Department at (925) 931-5100.
